

Overview of Sports Allocated Grant expenditure 2016 / 17 to enhance the quality and breadth of PE and sports provision

(updated September 2017)

PE is a part of every child's entitlement to a good education. It provides pupils with the generic skills, knowledge and understanding they need to become physically literate, and at the same time gives most of them their first regular experiences of sport. When taught well, PE enthuses and inspires pupils to participate fully and develop a life-long love of physical activity, sport and exercise.

Sport Premium Funding

This funding is ring fenced and can only be spent on improving provision of PE and sport in school.

The DfE guidance states that possible uses for the funding may be:

- hiring specialist teachers / coaches to work with Primary teachers when teaching PE.
- paying for professional development opportunities for teachers in PE and sport.
- providing cover to release primary teachers for professional development in PE and sport.
- running sporting competitions, or increasing pupils' participation in the School Games.
- buying quality assured professional development modules or materials for PE and sport.
- providing places for pupils on after school sports clubs and holiday clubs.

In order to improve the quality and breadth of PE and sports provision at Overleigh St. Mary's, we aim to improve PE and Sport by:

Improving children's level of engagement and learning

- Delivering innovative, differentiated lessons and extra curricular clubs.

- Carrying out pupil questionnaires to review pupils' view of PE and Sport in school.
- Increase variety of sport offered.
- Providing summative assessment of children against PE learning outcomes, which are reported to class teachers half termly.
- Using structured PE planning and assessment framework to ensure the children's progress is monitored.
- Working with school staff to complete long term, medium term and short term planning.
- Providing quality assurance of lessons via joint lesson observations with School SLT

Improving levels of physical activity and health awareness

- Supporting children to increase levels of physical activity engagement and fitness levels.
- Children complete baseline fitness level tests and reassess through year.

Inclusion opportunities

- Providing a wide range of extra-curricular clubs, covering the age range Rec – Yr 6 across the whole year.
- Providing clubs for children of all ability levels.

Sustainable PE and School Sport Provision

- Building strong rapport with teaching staff, children and parents.
- Providing CPD for staff so subject knowledge of PE can be improved, so that teachers are more confident and competent to deliver PE.

It is our aim to encourage all children to lead a healthy lifestyle and make better choices on how to lead an active lifestyle.

To ensure that this partnership is successful and measure the impact of it, we will complete the following:

- Undertake baseline assessments of children's fitness levels and reassess.
- Survey those children who attended after school clubs.
- Gather data to find levels of children engaging in sport via school.
- Quality assure the provision of PE via lesson observations.

To help organise and run all the above events plus our sports clubs we have school sports leaders from the local high schools.

Pupils from local high school who are undertaking the Dof E qualification, will help with after school clubs.

A Sports Council in KS2 to discuss PE issues in school.

- Staff training from our PE specialist in KS1 & KS2 and from local CPD.
- Signposting holiday sports clubs run by various sporting organisations and invite children from our school and local schools to attend.
- Organising a wheelchair basketball club for our disabled pupils to teach awareness of disability sports to all the children.
- Training year 6 pupils as leaders for the foundation stage mini kickers festival and for KS1 sports day.

Record of PPG spending by item/project

Item/project	Cost	Objective	Outcome	Impact (July 2017)
Employ a specialist PE teacher to raise profile of PE / sport and to disseminate knowledge across staff Maintain and enhance our provision of extra-curricular activities	£6000	Love and passion for sport is evident across the school. Children regularly participate in high quality PE and sport. Extra-curricular sport is a strength of the school	PE teaching is of highest quality Opportunities for sporting competition is available across the school All staff are confident in teaching PE well Wide range of extra-curricular activities on offer	100% of children accessed at least one enrichment or sporting club across the year. PE lead was awarded a Sports Achievement award in recognition of their expertise and achievement in teaching sport within Cheshire. Teachers report in staff sports survey increased confidence in teaching PE sessions.
Indoor athletics equipment	£500	To ensure that we have sufficient resources to deliver high quality PE / sport activities	Children can enjoy improved provision and consequently improve the competitiveness of our children.	Materials were for enrichment activities beyond the school day and take up of these sessions increased across the year and children reported greater enjoyment. Chester Sports Hall Indoor Athletics Cup was won by the school team.
Various inter-school tournaments and sports festivals – cost of transport, releasing staff, purchase of trophies and equipment.	£2000	Increase opportunities for children to take part in a wide range of events at different venues, both competitive and non-competitive Increase whole school participation in inter-school competitions. Increase motivation of children to get involved in sport. Footiegolf was used for year 3-6 as a reward for good behaviour.	A higher percentage of pupils are participating in and representing school in a wide range of inter-school sports activities, both competitive and non-competitive such as Quicksticks, tag-rugby, football, athletics, etc	Analysis of sports tournament participation by pupils shows: Greater than ever number of pupils represented the school in intra and inter school matches and games. E.g. KS1 multi skills festival – all Y2 children went to the event. 40 children went to a Tag Rugby festival.
Various SEN tournaments And Change 4 Life club for non-competitive and vulnerable children.	£500	Increase opportunities for SEN children to take part in a wide range of events at different venues, both competitive and non-competitive Increase whole school participation in inter-school competitions.	Increase participation amongst SEN children. Increase self-esteem within this group.	75% of SEN pupils took part in and represented their school in inter school competition and 100% took part in intra school games.

		Increase motivation of children to get involved in sport.		
Purchase playground equipment and storage.	£1000	Playground games introduced at lunchtimes	More children actively involved in physical activity at lunchtimes	This remains an issue for even further development. However 100% of children can access the equipment we wish to focus on how well they use it and extending their skills for the next school year. MDAs and Playground Leaders (children) received training to promote use of this equipment.
Purchase athletics vests	£250	To improve visibility of athletics teams at inter school competitions.	Increased participation in athletics as well as promoting the school in inter school competitions.	See above
