

Overview of Sports Allocated Grant expenditure 2017 / 18 to enhance the quality and breadth of PE and sports provision

PE is a part of every child's entitlement to a good education. It provides pupils with the generic skills, knowledge and understanding they need to become physically literate, and at the same time gives most of them their first regular experiences of sport. When taught well, PE enthuses and inspires pupils to participate fully and develop a life-long love of physical activity, sport and exercise.
