What SEN Interventions are offered at Overleigh St Mary's?

Over the last twelve months we have reviewed and developed the interventions offered across the school, to keep up to date with the latest educational thinking and to ensure the effectiveness of all interventions used in securing progress, whilst offering value for money. We are committed to providing a wide-range of support to meet SEND children's diverse needs and help overcome any barriers to learning. The following list describes some of the main interventions offered during the course of the year:-

- Fischer Family Trust (FFT) Wave 3 Literacy
- Project X Code (Oxford University Press Literacy intervention)
- Project X Origins (Oxford University Press Literacy intervention – Comprehension / Reading & Writing focus)
- Talking Maths
- No Nonsense Number Facts
- Clever Counting Multi-sensory Maths Intervention.
- Social Skills – 'Talkabout' Programme and other published social skills interventions, including ELSA resources and programme.
- Play Therapy with fully-qualified play therapist.
- Speech and Language Therapy Intervention (ELKLAN trained TAs)
- Beat Dyslexia
- Dyslexikit Structured Literacy Programme
- Memory Skills Boost / Memory Fix
- Precision Teaching
- Listening Ear / Nurture support
- Learning Mentor
- Sensory Circuits & Exercises
- Differentiated Spelling Groups including Phonics Letters and Sounds and Nessy ICT Spelling intervention.
- Handwriting interventions – Write from the Start / Speed up / Penpals
- Talking Partners (Early Years Foundation Stage)
- Physiotherapy programmes under the direction of NHS Physiotherapists.
- Pie Corbett 'Writing Boost'
- Colourful Semantics
- Braille / Pre-braille skills.

Assessing the Impact of Interventions

A baseline assessment will take place at the beginning of an intervention – this will provide the point of reference for measuring progress made by a child – and a target outcome will be set. Regular reviews will take place to ensure that the intervention is having the intended effect. Should progress be less than anticipated, consideration will be given to adapting the frequency and/or intensity. The termly reviews will involve children and their parents or carers, as well as class teachers, and a record kept of agreed actions.

Where difficulties persist despite high quality interventions and appropriate adjustments, advice and support may be requested from other professionals, with the parent's consent. This might involve for example: Speech & Language Therapy services, Occupational Therapist, Physiotherapist, Educational Psychologist or health services such as a Paediatrician.
