

## **Overview of Sports Allocated Grant expenditure 2017 /18 to enhance the quality and breadth of PE and sports provision**

PE is a part of every child's entitlement to a good education. It provides pupils with the generic skills, knowledge and understanding they need to become physically literate, and at the same time gives most of them their first regular experiences of sport. When taught well, PE enthuses and inspires pupils to participate fully and develop a life-long love of physical activity, sport and exercise.

### **Sport Premium Funding**

This funding is ring fenced and can only be spent on improving provision of PE and sport in school.

The DfE guidance states that possible uses for the funding may be:

- hiring specialist teachers / coaches to work with Primary teachers when teaching PE.
- paying for professional development opportunities for teachers in PE and sport.
- providing cover to release primary teachers for professional development in PE and sport.
- running sporting competitions, or increasing pupils' participation in the School Games.
- buying quality assured professional development modules or materials for PE and sport.
- providing places for pupils on after school sports clubs and holiday clubs.

In order to improve the quality and breadth of PE and sports provision at Overleigh St. Mary's, we aim to improve PE and Sport by:

### **Improving children's level of engagement and learning**

- Delivering innovative, differentiated lessons and extra curricular clubs.
- Carrying out pupil questionnaires to review pupils' view of PE and Sport in school.
- Increase variety of sport offered.
- Providing summative assessment of children against PE learning outcomes, which are reported to class teachers half termly.
- Using structured PE planning and assessment framework to ensure the children's progress is monitored.
- Working with school staff to complete long term, medium term and short term planning.
- Providing quality assurance of lessons via joint lesson observations with School SLT

### **Improving levels of physical activity and health awareness**

- Supporting children to increase levels of physical activity engagement and fitness levels.
- Children complete baseline fitness level tests and reassess through year.

### **Inclusion opportunities**

- Providing a wide range of extra-curricular clubs, covering the age range Rec – Yr 6 across the whole year.
- Providing clubs for children of all ability levels.

### **Sustainable PE and School Sport Provision**

- Building strong rapport with teaching staff, children and parents.
- Providing CPD for staff so subject knowledge of PE can be improved, so that teachers are more confident and competent to deliver PE.

It is our aim to encourage all children to lead a healthy lifestyle and make better choices on how to lead an active lifestyle.

To ensure that this partnership is successful and measure the impact of it, we will complete the following:

- Undertake baseline assessments of children's fitness levels and reassess.
- Survey those children who attended after school clubs.
- Gather data to find levels of children engaging in sport via school.
- Quality assure the provision of PE via lesson observations.

**Record of PPG spending by item/project**

<b>Item/project</b>	<b>Cost</b>	<b>Objective</b>	<b>Outcome</b>	<b>Impact (July 2018)</b>
Employ a specialist PE teacher to raise profile of PE / sport and to disseminate knowledge across staff Maintain and enhance our provision of extra-curricular activities	£6000	Teaching in PE is well matched to individual needs. Subject knowledge across the staff team is high.	Assessment in PE is used effectively. Children secure good progress across and between sessions. There are high activity levels in PE. Lessons are well prepared and children report high levels of enjoyment.	Assessment in PE is robust. Progress is at least good for the vast majority of pupils.
Specialist dance provision and equipment.	£1500	To raise the profile of dance and increase the expertise of the PE lead in this area.	PE lead can plan more effective dance sessions for pupils across the school and engagement levels in pupils increase.	Participation in dance has increased. Lunch time dance club has proved popular.
Various inter-school tournaments and sports festivals – cost of transport, releasing staff, purchase of trophies and equipment.	£3000	Further increase opportunities for all children across the range of need and ages to take part in a wide range of events at different venues, both competitive and non-competitive. Further increase whole school participation in inter-school competitions.	Continue to at least maintain the high participation rates across the school in competitive events, both within school and against other schools. Competitive representation at the school is inclusive and children feel they can take part if they would like to.	Representation has remained high. School has obtained Sportsmark Platinum, which requires high levels of participation amongst the pupils, both in school and against other schools.
Purchase playground equipment and storage. Provide training for supervisory staff.	£8500	Playtime activity levels are high. Children can practice the skills they develop in lesson time. Play is co-operative, safe and enjoyable for pupils.	More children actively involved in physical activity at break times. Staff are well equipped to support children in their sporting play.	Playground equipment is extremely well used and there has been an increase in the physical activity levels of the children during lunch times.
Fund swimming lessons for Y4 and Y5 pupils	£2950	Increase the demand and proficiency of the children beyond the expectations for primary school.	Children leave Overleigh being able to swim at least 50m.	Impact to be measured at the end of 2018 /2019 school year, but proficiency amongst targeted year groups has already increased.
